Feel "Very Confident" or "Confident" applying the skills learned in the course

Employee Comments

What did you enjoy most?

- "I thought this was an excellent training. It will definitely benefit me in the future."
- It was the farthest thing from dull, the instructor kept us engaged and on topic for the entire training. Job well done!"
- "That it was interactive and we worked through case studies together. The training was very relevant to our industry. "

What can we improve?

- "More examples or scenarios"
- "Maybe hold an advanced course for next time?"
- "Create a pre-course so that everyone can start at the same level."
